

CITY OF LUDINGTON

DEMOLITION REQUIREMENTS

1. **Prior to commencement** of demolition, call Miss Dig at 1-800-482-7171 for the location of underground utilities.
2. **Prior to commencement** of demolition, call the City Utility Maintenance Dept. at 845 6237 to have water meter pulled and water turned off.
3. All water and sewer lines will be disconnected at the water main, capped and inspected by the City **PRIOR TO DEMOLITION**. All road cuts, sidewalks or curbs damaged or removed will be restored to their original condition. A **\$500.00** deposit is required on all water and sewer line disconnections.
4. All sewer lines must be cemented shut and inspected by the City **PRIOR** to DEMOLITION. Failure to call for this inspection is cause to have the excavation reopened for inspection. Call 845-6237.
5. All accessory buildings must be removed from the property at the time of demolition.
NO ACCESSORY BUILDING IS ALLOWED WITHOUT PRINCIPAL DWELLING.
6. If demolition takes place on a weekend, prior arrangements must
