Detailed Design Guidelines are available on the city webpage. They are, briefly, as follows\*:

- Barriers:
  - 36" height minimum
  - Metal, black, no plastic
  - Free standing
  - 44" opening to dining area
  
- Furnishings:
  - May be colored or of a natural unpainted material
  - No white plastic
  - Colors: No strikingly bright, vivid or florescent colors
  - Tables, chairs and umbrellas only
    - no serving stations, bar counters, trash receptacles, shelves, heaters or torches, etc.
  - All chairs within an establishment must match
  - Plain Umbrellas; no signage or wording
  
- Must maintain a 5' pedestrian walkway at all times
  
- Outdoor lighting must meet MI Electrical Code

I, the undersigned agree to comply with the Outdoor Dining Design Guidelines, in accordance with the City of Ludington Zoning Ordinance and understand that violations may result in a civil citation being issued and/or the Outdoor Dining Permit revoked.
